Founded in 1982, CWEE’s mission is fostering personal and professional transformation for low-income families through confidence building, customized skills training, and career advancement. CWEE believes that regardless of personal situations and other barriers to employment, when an appropriate level of education and support is provided, individuals can and will succeed.

CWEE’s commitment to building durable skills and programming that evolve with the changing nature of work remains strong. In 2021, due to the pandemic, CWEE accelerated its 2020 strategic plan and strengthened the team and organizational culture, brought more CWEE to more people through the establishment of a virtual program and grew revenue to support demand. In December 2021, CWEE announced an updated three-year strategic plan, Blueprint 2.0, which includes: embracing a culture of organizational learning and continuous quality improvement; adapting and optimizing programming; and long-term sustainability.

SUMMARY OF POSITION
The Program Advisor serves on a cross-functional team committed to supporting low-income parents on their path to self-sufficiency. This position is responsible for supporting an assigned caseload of participants throughout their time at CWEE and into employment. The Program Advisor, holding expert knowledge in CWEE’s available programming, listens to understand the needs and barriers of each participant in relation to their employment goals and co-creates their CWEE plan. The Program Advisor serves as the main point of contact for their participants through regularly scheduled check-ins, building executive functioning skills through a supported coaching approach. This role maintains relationships across the organization, creating warm handoffs to other staff regularly. This position works closely with a team consisting of a Program Advisor Lead and a TANF Specialist to ensure consistent progress towards employment and timely completion of TANF requirements, as applicable.

CWEE is seeking a relationship focused individual with strong communication and coaching skills. This role requires a deep knowledge of CWEE programing and a broad understanding of the employment landscape in the Denver metro area.
