YOUR SPONSORSHIP SUPPORTS

Education and Employment Programming

CWEE's career readiness program integrates social and emotional learning, digital skills training, and job search skills to help parents succeed at home and at work.

Wellness Programming

Mental wellness is essential for personal and professional success. CWEE provides free mental health therapy, including individual, family and couples therapy, peer support groups, and more.

Essential Resources

CWEE provides food, baby supplies, laptops, and other resources to help families meet their basic needs. These ensure parents in our programs can focus on what's next, whether that's earning their GED, pursuing higher education, or taking the next step in their career.
